

## **Manchester Metropolitan University**

### **Emeritus Professors – Procedure**

1. No direct application is allowed to the Professoriate Committee – applications will be via a Faculty to the Committee and should be approved by the Dean. Any resource implications will be met by the originating Faculty.
2. Applications should include the candidates brief CV.
3. The nature of continued engagement with the University should be included in the application. There is an expectation that Emeritus status will be conferred only on candidates who will continue to have appropriate engagement in research, academic enterprise or teaching and learning.
4. The normal length of the Emeritus Professorship status will be up to 3 years, or the point at which the candidate ceases to fulfil the criteria set out in 3 above.
5. Emeritus Professorships may be renewed by reapplication.
6. Emeritus status may be withdrawn at any time by the University.
7. Applications will normally be approved by the Chair of the Professoriate Committee and reported annually to the Professoriate Committee.
