

# Visitor's Car Parking Information

## What do I need to do?

If you're travelling to the university by car, then you'll need to make sure that a visitor's space has been reserved. Please contact the person who has invited you to and provide them with your name and car registration details.

Please ensure you receive confirmation that a visitor's space has been booked for you before arriving at the university.

## Where do I collect my permit?

On arrival, you'll need to collect a Pay & Display permit from a designated collection point (see below) and clearly display this on your dashboard. You'll also need to purchase a Pay & Display ticket from one of our machines which are situated in the car parks.
