

Mummification: Activity Pack

Mummify a Doll

- Using basic, everyday objects from around the house
- Can be made more elaborate, e.g., adding amulets to the body before wrapping, making canopic jars for the (paper) organs

Requirements

- Plastic doll
- Toothpick
- Salt
- Toilet roll
- Paper
- Colouring pencils

Directions

- Remove the brain with a toothpick through the nose
- Heart stays in the body: a paper heart can be taped to the body
- Put salt on the body to dry it out
- Wrap the body in strips of toilet roll
- Make a funerary mask (mummy mask) – copy and colour the example given above
- Place the mask on top of the mummy
