

Tombs: Activity Pack

Making a Shoebox Burial Chamber: What to Include

How will you decorate your tomb? Think about the following questions, which will help you decide what pictures you should include.

Family: Who is in your family? Will you just include your nuclear family?

Food: What is your favourite food? What are the ingredients and how would you produce them?

Play: Do you play sports or games?

Music: Do you play an instrument? If not, who are your favourite singers/bands?

Animals: Do you have pets or just love animals? What animals would you include and why?

What else: Is there anything else you'd want to include in your tomb?
