1. General Information

a. Who these regulations are for

These regulations apply to all new and continuing **Postgraduate Taught** (excluding MArch, Integrated Masters and PGCE) students.

Please note: Undergraduate regulations apply for any MSc Pre Registration students whose funding authority is Student Finance England.

Regulations for **Postgraduate Research, Undergraduate Degree, Foundation Year, MArch, Integrated Masters, PGCE** and **Global Online** students can be found at www.mmu.ac.uk/student-life/finance/.

b. What these regulations are about

Manchester Metropolitan University (the University) is committed to a **fair and transparent policy** in respect of charges made to students.

These regulations set out the fundamental tuition fee charging principles of the University, including information about how tuition fees are charged, and how fees are re-calculated should students' study or circumstances change. These regulations also describe how students can pay tuition fees and the consequences for non-payment.

c. University correspondence and holding financial information

The University generally sends all fee and finance related correspondence via **email**, to Manchester Met student email addresses and any external email held on the University student records system. The University may also contact students by text, by post or over the telephone.

A Manchester Met **finance account** will be created for all students. Finance accounts are held in the University's accounting system, and record all accounting entries relating to invoices, credit notes, payments, and adjustments. Students can request a full statement of account at any time by contacting the **Student Billings** team.

d. Refunds

These regulations will cover how fees are adjusted if a student transfers or leaves their programme. If these changes result in an overpayment of fees these will be refunded to the original payer, generally by the most recent payment method.

All refund requests must be made **by email** to refund@mmu.ac.uk. The University will **only** process a claim for a refund when **all other debts** owed by the recipient to the

University **have been cleared**. Student refunds relating to programme fees will not be processed until any sponsor debt is cleared.

Due to administration costs, refunds will only be processed for amounts **over £15**.

For further information regarding Accommodation Application Fee refunds please refer to www.mmu.ac.uk/study/accommodation/your-contract/policies-and-documents.

For further information regarding refunds for initial programme payments please refer to your offer pack.

Please note: Refund admin charges may apply to **overseas tuition fee deposits** (refer to www.mmu.ac.uk/study/international/when-you-have-an-offer/secure-your-place/pay-your-tuition-fee-deposit/how-to-pay).

Please note: If an invoice has been paid whereby a change in funding applies, i.e. student invoice paid and an external sponsor letter received, refunds will not be processed to the student until the sponsor invoice has been paid.

Guidance Notes

(Tuition, accommodation, met card & other associated fees)

Any **payment of a refund** approved by the University **will be made** as follows, **in accordance with the original method of payment by the relevant payer:**

Credit/Debit Card - approved refunds will be made by BACS if it is to a UK sterling bank account or by bank transfer to overseas bank accounts. Bank details should be supplied.

Bank Transfer – approved refunds will be sent to the bank from which the original payment was made. If this involves a payment to an international bank account, please be aware that this process can take significantly longer than a payment to a UK bank account due to the payment passing through an intermediary bank.

Flywire – approved refunds will be made back to the Flywire bank account, Flywire will refund directly to the originating payer's bank account or credit/debit card. Flywire refunds may be subject to additional fees in accordance with the [Flywire Terms of Use](#).

Cheque – approved refunds will be made by BACS to a UK sterling bank account from which the original payment was made. Bank details should be supplied. If the cheque was drawn on an international bank please refer to the above guidance notes regarding bank transfer payments.

Met card - approved refunds will be made by BACS to a UK sterling bank account.

Please note, all refund requests are subject to further investigation by the University and the recipient may be contacted to provide further documentation. We aim to process refund requests **within 14 days of receiving all relevant information**.

Further details about refunds can be found at www.mmu.ac.uk/student-life/finance/.

2. Tuition Fees

a. How fees are set

The University Fees and Scholarships Group is responsible for setting all Postgraduate Taught tuition and associated fees. These fees are reviewed annually and may be subject to an annual increase as confirmed in further detail within the e-prospectus or your offer pack. However, students enrolling on programmes of more than one academic year's duration will retain the same fee (with the exception of Placement/Internship year) for the duration of the programme providing it is completed in the normal timeframe (see **Section 2.e**).

b. How fees are charged

The University charges tuition fees annually and fees will be payable each year for the duration of the programme. Students will be required to pay the fees applicable to their programme of study and fee charging pattern. Fees are also determined based on fee status and mode of attendance.

Fees for new students are available on the University online prospectus www.mmu.ac.uk/study. Fees for continuing students are available by contacting the **Student Billings** team.

c. Fee changes

Programme fees will be displayed during **online enrolment** and are based on the information held at the time of assessing the fee. If additional programme elements are undertaken, such as additional modules, further fees will be incurred.

For students **returning from an agreed period of an approved suspension** (see **Section 4.a**), the fee displayed during online enrolment will have been calculated based on the assumption that students will be returning to the **same programme and at the same point that study was originally suspended**. If studies are recommenced at an earlier point or the student starts a different programme, **further fees will apply**.

The University makes every effort to ensure fee information provided is as accurate and up-to-date as possible. In the unlikely event that an error has been made, any changes have been approved, or any fee adjustments are required, the University will promptly contact all affected students via email.

d. Fee status – Home, Channel Islands or Overseas

Tuition fee status is assessed by **Admissions** at the point of application and is based on both residency and immigration status criteria.

More information and guidance about how the University assesses fee status is available at www.mmu.ac.uk/study/international/before-you-apply/fees-and-funding/tuition-fees or by emailing feeassessment@mmu.ac.uk.

e. Continuing Manchester Met student fees

Students enrolling on a taught postgraduate programme of more than one academic year's duration will remain on the same fee (with the exception of placement fees) for the length of their programme, providing there are no programme transfers or changes to the original study mode (see **Section 4.b**), and student's progress through the programme in the normal timeframe. Should students need to suspend studies or repeat any part of their programme, a higher fee in line with the fees list will then apply. Any queries should be directed to the **Student Billings** team.

All queries relating to continuing student programme fees should be referred to the **Student Billings** team.

i: Outgoing Exchange students

Before you start an overseas exchange, you must ensure that your exchange is approved and supported by your academic department. You must also follow relevant procedures for selection, **submit relevant application forms and be nominated to the host university to study abroad by the Study Abroad and Exchanges Team (within the International office)**.

You should contact the Study Abroad and Exchanges Team immediately if you make any changes to the original length of your exchange, such as if you arrange to spend a longer time on your exchange than you originally agreed, or you decide to return home early. You should also contact the Study Abroad and Exchanges Team if you decide **not to start** an exchange that has previously been approved.

Tuition fees are charged in full and will depend on your **student status** (Home/EU/Overseas/Channel Island) and the **type of programme** you are enrolled on.

The **Study Abroad and Exchanges Team** should be your first point of contact for any queries regarding your exchange.

The **Student Billings Team** should be your first point of contact for any fee related queries regarding your exchange.

f. Writing up period/one year extension

The University expects all students to complete their programme in the normal timeframe. However, if a student requires an extension to complete their Independent Study Unit, such as a Dissertation or Project element of their taught Masters, owing to Exceptional Factors or other circumstances beyond their control, they may be permitted an extension to the original submission date by the Assessment Board.

Students with an approved extension can enrol for an additional period of up to one year as a 'writing up' student, and will be charged the University writing up fee (£195 in academic year 2022/23). This fee is payable immediately upon receipt of the invoice. Nil fees will apply if exceptional factors have been approved.

The writing up fee will permit access to the general facilities of the University, including library and Moodle access, and a tutorial session with the project/dissertation supervisor. Any additional supervisory support or access to specialist facilities (such as laboratories and workshops) will be at the discretion of the teaching department.

The writing up fee only applies to project/dissertation extensions. It does not apply for taught units/modules, for which standard fees will apply.

Students are only permitted one year as a writing up student. If Exceptional Factors are approved then the writing up fee will not be charged for the writing up year only.

Students are only permitted one year of either an Exceptional Factors nil fee or writing up fee as a writing up student. After this period, students who fail to submit would be classed as 'repeating without attendance'. In very exceptional circumstances should further extensions be required beyond the above, each case will be dealt with on an individual basis, and if approved full annual fees will apply.

Extension requests must be approved by the Assessment Board. If an extension request is declined, the student will not be classed as writing up, and will be charged the full fee for the project/dissertation again.

Please note students in receipt of a Postgraduate Loan will not receive any loan payments during their writing up period and (see [Section 3.c](#)). Please note students who reach the income threshold permitted may be required to start loan repayments whilst they are still studying.

g. Recognition of Prior Learning (RPL)

Recognition of Prior Learning (RPL) claims for non-Manchester Met credit transfers are subject to a reduced tuition fee based on the number of credits claimed. The RPL fee is reviewed annually and published prior to the commencement of each academic year. All RPL fees are non-refundable and are not reduced if a student withdraws or suspends.

The fee is a charge applied to cover the cost of a credit approval/assessment and assigning a Manchester Met value to it.

Fees will be charged as follows:

£12 per credit – Home/Channel Island students

£15 per credit – EU and Non-EU Overseas students

No fee will be charged for Manchester Met RPL credits or Advanced Standing credits due to Articulation agreements.

Please refer to the [MMU](#) webpage to view the full RPL policy including RPL definitions and instructions on how to claim for RPL credits.

The exceptions to the above will be where commercial programmes have separate arrangements in place, these would continue for the duration of that agreement.

If you have or intend applying for a Postgraduate loan this may have an impact on your eligibility for the loan. Please check with your loan provider prior to applying for any RPL credits as your loan may be rejected as per the Government regulations dependant on your type of course and domicile.

3. Paying Fees

The University offers a range of payment choices for self-paying students. Information about payment methods will be displayed during online enrolment, and the most up-to-date information (including available instalment options and payment dates) will be available at www.mmu.ac.uk/student-life/finance/.

The University wants our students' experience at Manchester Met to be as beneficial as possible. It is therefore extremely important that students make sure all fees are paid on time - either in full, or in line with any agreed payment plan.

Students experiencing any problems in either setting up a payment option, or making a payment at any time whilst studying at Manchester Met, should contact the **Finance Team** in the **Student Hub** or the **Collection & Recovery Team**.

a. Self-paying students

All programme fees for the academic year are payable in full before the start of the programme unless students sign up to an agreed instalment plan.

Payments will normally be allocated towards your programme fees. **However, should students have any outstanding debts owing to the University, the University reserves the right to use the payment received against any unpaid amounts owing.**

i. Programme deposits

If a programme deposit payment is required, students will be notified during the application stage, these must be paid according to the timeline specified.

New Overseas students requiring a UK Student Visa who accept an offer of a place on a programme, must make a payment of **£3,000** before a Confirmation of Attendance for Studies (CAS) letter is processed, this will **not** be issued until the payment is made.

ii. Paying in instalments

Instalment options will be displayed during online enrolment.

Please note any payments received will be allocated towards your first instalment.

More information about paying by instalments can be found at <https://www.mmu.ac.uk/student-life/finance/paying-university-fees/>

b. Employer/Sponsor funding

A sponsor is an employer or other third-party organisation who has taken responsibility to pay fees on behalf of a student.

Family members, friends, or other individuals cannot be classed as sponsors.

Students must provide evidence of sponsorship before the programme commences. A letter or email from the sponsor accepting responsibility for the payment of fees should be sent via email to the **Student Billings** team.

A template of an acceptable sponsor letter can be downloaded from <https://www.mmu.ac.uk/about-us/professional-services/finance-and-procurement/loans-grants-and-other-funding>. A new sponsor letter will be required for every year of study, unless the initial sponsor documentation specifies it can be used for the duration of the programme.

A Manchester Met student ID number must be quoted on all correspondence.

With the exception of Apprenticeship students, it is the student's responsibility to provide evidence of sponsorship to the University. If students do not provide this evidence, they will be considered self-paying students and will be expected to pay the fees themselves unless funding is being provided by Student Finance or the Student Awards Agency for Scotland (see **Section 3.c**).

As soon as a sponsor letter is received, the University will undertake a **credit risk assessment** for new sponsors (if applicable). Depending on the outcome of the credit risk assessment check, the University may agree non-standard terms or, on rare occasions, reject the sponsor. If this should occur the University will contact the student/sponsor to discuss alternative payment options.

Although the University reserves the right to reject any sponsor or documentation that is deemed unsatisfactory (e.g. those with a bad credit rating), the University endeavours to act reasonably in determining whether evidence submitted is satisfactory.

Approved sponsors will receive a programme fee invoice directly, which should be paid within 30 days of the invoice date.

The University will make every effort to collect fee payment from a sponsor. However, the student remains liable for payment of programme fees even if a Sponsor has

agreed to pay on your behalf. If the Sponsor does not pay within a reasonable period, the student will become liable and the University will raise an invoice to the student for immediate payment. Please note: The above rules do not apply to apprenticeship students.

c. Postgraduate Loans

Students applying for a Postgraduate loan must apply directly to the following agencies. Information about applying for a loan is available using the following links:

Student Finance England	www.gov.uk/studentfinance
Student Finance Wales	www.studentfinancewales.co.uk/
Student Finance N. Ireland	www.studentfinancenir.co.uk/
Student Awards Agency for Scotland	www.saas.gov.uk/

Student Finance will pay loans as follows:

England and Wales loans paid directly to students.

Northern Ireland and Scotland (funded by SAAS) tuition fee loans are paid directly to the University based on fee liability dates.

Postgraduate maintenance loans from Scotland (funded by SAAS) are paid directly to the student.

Should Student Finance determine that a student is no longer eligible for funding, students will be considered self-paying students and will be required to arrange to pay the fees themselves.

If your fees are either part funded or fully funded by a Northern Ireland or Scotland loan the University will attempt to collect as much of the fee as possible via the loan. Should there be a shortfall in the recalculated fees in the event of a student suspension or withdrawal **it will be the student's responsibility to make up the difference in fees themselves and will receive an invoice for these fees from the University.**

Students in receipt of tuition fee loans from the agencies above do not have to provide any evidence to the University. The University cannot collect loan for students who have not sent back their declaration form; **any such students will be classed as self-paying students until the form is returned.**

Students in receipt of a Postgraduate Loan will not receive loan payments if they need to repeat a year either with or without attendance or do not submit in the normal timeframe including applying for an extension during writing up periods. Please note students who reach the income threshold permitted may be required to start loan repayments whilst they are still studying.

Students in receipt of Postgraduate Loan funding from [Student Awards Agency for Scotland \(SAAS\)](#) should pay particular attention to the notes below:

SAAS regulations provide for one fee liability date of the 1st December. The University will therefore recalculate fees for SAAS funded students depending on whether the last engagement date is before or after the 1st December:

- **Before 1st December:** Students who withdraw or suspend after the 2 week (14 day) grace period, but before 1st December **will be liable for fees themselves please refer to Section 4**. No payment will be received from SAAS.
- **After 1st December:** Students who withdraw or suspend after this date – please refer to **Section 4** regarding recalculating fees. The University will collect as much of the fee as possible from SAAS. Should there be a shortfall in the recalculated fees it will be the student's responsibility to make up the difference in fees themselves.

4. Recalculating Tuition Fees

The University raises invoices for the full academic year after enrolment, based on the fee displayed during online enrolment.

If additional programme elements are undertaken during the course of the year (such as extra credits) further fees will be incurred, and students will be notified promptly (see **Section 2.c**)

The University may recalculate fees charged (with the exception of RPL and writing up fees) in the case of **withdrawal, suspension, programme transfer, change in study mode or exit awards**.

In general, recalculations will be based on the programme start and end date and the **date of last engagement** and the **number of modules commenced** (unless exceptions apply as noted in the regulations).

For the purpose of these regulations, the following definitions apply:

Commencement of study is defined as the start date of the programme but in certain circumstances (at the University's discretion) may be when a student **engages** with their programme of study e.g. students returning from suspension.

Engagement with the programme includes (but is not limited to) activities such as:

- Attending timetabled teaching sessions, which include lectures, seminars, academic and personal tutorials, and other forms of contact with academic and professional services staff that relate to academic study.
- Attending examinations, tests, and other assessment activities.
- Submitting work for assessment.
- Accessing University facilities, including the Virtual Learning Environment (Moodle), the University Library, and programme materials.
- Participating in field trips and other compulsory activities.

In exceptional cases whereby back dated suspensions/withdrawals have been received Met card usage may also be checked for engagement.

Withdrawal is defined as exiting the programme before the end of the academic year, with no intention to return to the programme at a later date.

Suspension is defined as taking an **approved** break in study for a maximum period of 12 months, with the intention to return to the same programme at the same point in the next academic year.

A **programme transfer** is a change from one programme of study to another. Transfers may be **internal** (from one programme at Manchester Met to a different programme at Manchester Met) or **external** (where a student transfers from Manchester Met to another university or vice versa).

A **change in study mode** is defined as a transfer from full-time attendance to part-time attendance (or vice versa). In general, a change in mode of attendance refers to switching from a full-time programme to a part-time programme. Where a student remains enrolled on a full time programme, but is exceptionally permitted to take fewer than maximum modules (for example, because of a requirement to repeat modules), this is not usually classed as a change in study mode.

a. Withdrawal and suspension

Students should make sure they have fully discussed the financial implications of withdrawing or suspending before they leave the programme.

Students should contact the **Student Hub** www.mmu.ac.uk/student-life/contact-us/ for help and advice. The Hub may direct students to other sources of guidance as appropriate.

The University will notify Student Finance if a student in receipt of a Postgraduate Loan leaves their programme.

Please note **it is the responsibility of the student** to keep in regular contact with a relevant area of the University regarding any issues which may result in a period of non-engagement (**such as medical or other personal reasons**).

No fee recalculation (if applicable) will be undertaken **until a student has completed the formal withdrawal or suspension process**, and the student records system has been updated with the approved last date of engagement. The University will notify Student Finance of any withdrawal or suspension once approved.

All withdrawals and suspensions have to be approved in a timely manner within the academic year. Backdated requests will not be accepted. **Medical evidence will be required for all health related suspensions.**

In the event of withdrawal or suspension, fees for all programmes classed as taught postgraduate (including distance learning and online programmes) will be recalculated based on the **number of modules commenced** (with exceptions detailed below):**

Within 2 weeks (14 days) of course start date: No tuition fees due*

After 2 weeks (14 days) from course start date: Fees will be charged in full for all modules/blocks commenced, or engagement with University facilities (such as Moodle or online learning material). If a student suspends or withdraws in term one, modules worth a maximum of 75 credits will be charged unless the student is exiting with a lower award, in which case the student will be charged for all modules commenced. Graduate Diploma in Law students will be charged a maximum of 120 credits if they suspend or withdraw in term two.

If your fees are either part funded or fully funded by a Northern Ireland or Scotland loan the University will attempt to collect as much of the fee as possible via the loan. Should there be a shortfall in the recalculated fees in the event of a student suspension or withdrawal **it will be the student's responsibility to make up the difference in fees themselves and will receive an invoice for these fees from the University.**

* Any fees paid by the University to a third party on behalf of the student will not be recalculated, and students will be required to pay such fees in full. Examples of these fees include **field trips, residential fees, professional registration fees, school and social work placement fees** etc.

Exceptions:

i. Year 2 placement year (courses with internships)

In the event of withdrawal or suspension on the above programme, fees will be recalculated based on the last date of engagement, and in line with the following **fee liability dates:**

Within 2 weeks (14 days) of programme start date:	No tuition fees due
After 2 weeks (14 days) from programme start date:	25% of full tuition fees
From first day of second term:	50% of full tuition fees
From first day of third term:	100% of full tuition fees

ii. Professional Law Programmes – LLM Legal Practice at the Bar and LLM Legal Practice Certificate

If a student on the LLM Legal Practice at the Bar or LLM Legal Practice Certificate suspends or withdraws, or otherwise leaves the programme, the fees charged will be an amount equal to the fees charged to a Postgraduate Diploma student exiting at the same stage, or, if higher, the fees chargeable calculated as above on the number of modules commenced.

Programmes whereby fees are charged via a **commercial contract or partnership** will be calculated in accordance with the terms of the particular contract. Students will be notified during online enrolment if their course is considered to be commercially funded. In case of queries, the **Student Billings** team can be contacted in the first instance.

Apprenticeship programmes whereby fees are charged via a **commercial contract or partnership** will be calculated in accordance with the terms of the particular

contract. In case of queries, the **Student Billings** team can be contacted in the first instance.

Fees for **Language Centre** programmes (Pre-Sessional and IELTS English programmes) will be charged in accordance with the terms and conditions of the Language Centre www.mmu.ac.uk/languagecentre. **Fees will not be reduced if students withdraw or suspend before completing the programme.**

Students in receipt of funding from the following agencies should pay particular attention to the notes below:

NHS Social Work Bursary

NHS regulations provide for one fee liability date of the 1st December. The University will therefore recalculate fees for NHSSWB funded students depending on whether the last engagement date is before or after the 1st December:

- **Before 1st December:** Students who withdraw or suspend after the 2 week (14 day) grace period, but before 1st December **will be liable for fees themselves please refer to Section 4**. No payment will be received from the NHS.
- **After 1st December:** Students who withdraw or suspend after this date – please refer to **Section 4** regarding recalculating fees. The University will collect as much of the fee as possible from the NHS. Should there be a shortfall in the recalculated fees **it will be the student's responsibility to make up the difference in fees themselves.**

Channel Island Government Agencies

- Channel Island government agencies pay invoices in three equal termly instalments. Should there be a shortfall in the recalculated fees owing to a discrepancy between agency payment terms and the University's fee liability dates, **it will be the student's responsibility to make up the difference in fees themselves and will receive an invoice for these fees from the University.**

b. Programme transfers / Changes in study mode

Students should contact the Student Billings team for help and advice before proceeding with a programme transfer or change in study mode.

Students wishing to transfer to Manchester Met from another higher education institution (or vice versa) are advised to discuss the financial implications with both institutions before proceeding with the transfer.

Please note depending on the date of transfer into Manchester Met students may still be liable for the full annual programme fees even if the initial institution has claimed part liability.

Example: If you are in receipt of a Postgraduate Loan from Northern Ireland or Scotland and you transferred into Manchester Met to commence your programme after term starts:

- You started in September at Institution A and attended for a short period after their term start date.
 - Institution A charges 25% of your annual fee then you transfer to Institution B (Manchester Met) in term one – Manchester Met will charge the full annual fee.

The University will notify Student Finance if a student in receipt of a Postgraduate Loan transfer programmes or changes study mode.

Programme/study mode transfers may effect eligibility for Postgraduate Loans.

For internal transfers, programme transfer dates will be aligned to students' points of engagement on both programmes.

The University may recalculate fees charged in the case of a **programme transfer**, or **change in study mode** based on modules commenced with the exception of programmes listed in **Section 4.a**.

Fee calculations will be processed in line with the fee liability dates for any courses listed in **Section 4.a** and any Northern Ireland and Scotland Postgraduate loan students in the event of transfers.

Students who **change programme or study mode** must be aware that this may effect eligibility for Manchester Met discounts, awards or bursaries and may result in more fees being charged over the programmes duration (due to how fees are calculated).

Overseas students may experience issues with their visa if there is a change in their mode of study. Please check with the Manchester Met International Office before any change in study mode are made.

5. Awards, Discounts and Scholarships

The University reviews all Manchester Met awards, discounts, and scholarships annually, and may withdraw future provision at the end of an academic year or make changes to the terms and conditions of offer.

Details of current awards can be found at the following links:

Postgraduate students:

www.mmu.ac.uk/study/postgraduate/taught-courses/how-to-apply/funding

Please note: Alumni discount will be 20% for all eligible students commencing a course from September 2022 (not eligible for commercial contracts, internal funding or Recognition of Prior Learning credits).

International (Overseas fee status) students:

www.mmu.ac.uk/study/international/before-you-apply/fees-and-funding

If a student withdraws from the programme or exits with a lesser award which results in a fee reduction, the value of any award will be **pro-rated in proportion to the tuition fees charged** (see [Section 4.a](#)).

If a student suspends from the programme which results in a fee reduction, the value of any award will be **pro-rated in proportion to the tuition fees charged** (see [Section 4.a](#)). The remaining scholarship will be applied in the following academic year providing students return to their eligible programme and the scholarships are still available.

If a student **transfers programmes or changes study mode**, this may affect eligibility for any Manchester Met award, and **students may be required to repay the amount awarded in full (depending on the change)**. If the change results in a fee adjustment, the value of any award will be **pro-rated in proportion to the tuition fees charged on the eligible programme in line with the terms and conditions**.

If a student **fails to pay fees** in accordance with University regulations and/or any agreed instalment plan, students may lose eligibility for any Manchester Met award, and students **may be required to repay the amount in full** (see [Section 7](#)).

If a student is in receipt of more than one form of fee reduction (including discounts, awards or scholarship) they will only receive one fee reduction and will be awarded the greater amount unless they have been awarded an Manchester Met Merit discount and are also eligible for an Alumni discount, these are the only combinations whereby two discounts can be applied.

Examples of a Merit discount (will be dependent on the terms and conditions of the award) include but are not limited to Faculty Bursaries/Scholarships and Sports Scholarships.

Merit discounts will be deducted from the initial tuition fee; the Alumni discount will then be calculated and applied to the remaining balance.

6. Accommodation Fees

University accommodation rent, including details about payment methods and instalment information, can be found at www.mmu.ac.uk/accommodation/. Students will not receive an invoice for their accommodation rent, they should refer to the website for amounts and dates due. However, if applicable, additional invoices will be processed for any charges incurred during their stay including charges for damages or fines as notified by the Student Living Team.

University accommodation fees will be charged annually to cover residence for the period specified in the accommodation licence. Unless specified in the licence, the University will not reduce, rebate, or refund any accommodation rent paid during periods away from the University (e.g. on field trips or placements), or where compulsory course attendance ceases before the expiry of the contract.

If you are in accommodation for one term then the full rent is due.

If you are in accommodation for two terms, your instalments will be 50% in both terms.

If you are in accommodation for three terms, your instalments will be 35%, 35% and 30%. If you transfer rooms after your first payment has been collected which results in a rental change, your next instalments will be split 50% and 50%.

Students are required to pay their accommodation rent in line with their terms and conditions of residence. Failure to pay in line with the contract may result in access to Wi-Fi facilities being restricted and any unpaid debt will be referred for recovery to the Legal Recoveries team.

7. Non-Payment of Fees

It is every student's responsibility to ensure fees are paid in full in line with published terms outlined in these regulations and payment options (whether paying their own fees, or whether fees are paid via a sponsor/employer, organisation, Student Finance or government agency).

Attending university is a significant financial commitment. The University offers a range of payment methods and options to help students manage the financial commitment they have entered into with the University. However, students must only come to university if they have the financial means to pay fees and fund living expenses (including university hall fees where applicable).

If students are experiencing any difficulties with paying fees to Manchester Met, it is crucial that the **Collections & Recovery Team** are kept informed of this, so that the team can provide support.

Students experiencing financial difficulties may wish to contact the Manchester Met **Student Financial Support team** www.mmu.ac.uk/student-life/finance/support/ or obtain impartial advice and guidance from the **Union Advice Centre** www.theunionmmu.org/your-advice-centre/.

i. Failing to return University equipment

Should students borrow any University equipment for use as part of their academic programme, but do not return the equipment (or it is returned in an unacceptable condition) within the agreed timeframe, the University reserves the right to raise an invoice to charge for the full replacement cost of the equipment. Should students not pay or return the equipment in the same condition and in working order within 30 days from invoice date, the University reserves the right to proceed to recover the debt via all normal recovery remedies, including instigation of appropriate court proceedings which will increase the debt owing due to the addition of Court cost and statutory interest which will be payable by the student.

b. Charges incurred for non-payment of fees

Should the University have to implement Court proceedings to recover unpaid debts, Court costs and statutory interest (currently 8%) will be charged and will increase the debt payable by the student.
