Health, and  
Education

- A physical space, a virtual entity and a vehicle for strategic integrated and thematic delivery.
- Across a unique constellation of excellence in science, arts, business, health and applied professional practice.
- A place to unlock the power of sport to bring direct benefits to society through improved health, wellbeing, economic regeneration and cultural enhancement.
- In our city with a globally competitive manufacturing sector that is digitally savvy, media-centred, arts cultured and **mad for sport**.

**Teachers and Careers  
Advisers Conference**
