

# GRADUATION

## Where do I start?

Graduation ceremonies are held every year, usually in late July.

Dates of the ceremonies are published online on the graduation web site in late winter, [www.mmu.ac.uk/graduation](http://www.mmu.ac.uk/graduation).

All graduation ceremonies are held at The Bridgewater Hall, located near St. Peter's Square and Manchester Central, convenient to rail and metro stations.

The online Graduation Booking System opens in mid-April. Students will receive either an e-mail or postal invitation to register their attendance online. If you have not received your invitation by the end of April, please contact the Graduation Helpline, 0161 247 5959.

## **Where is my invitation?**

Invitations, particularly to postgraduate students, may be delayed if a work submission deadline is close to the date of the ceremony. Contact the Graduation Helpline if you require assistance.

## **Guest tickets**

Manchester Metropolitan uses an online system to allocate guest tickets. Each eligible student may reserve two guest tickets free of charge through the online booking system. Students will have the opportunity to purchase any further tickets in June, subject to availability. There are no guarantees that additional tickets will be available. Tickets are non-transferable.

## **Academic attire and photography**

You will need to hire your graduation gown before the end of June. Check the graduation web page for details, and for information on photography services.

## **Certificates**

Certificates are posted before the end of October for those students completing courses in the summer. Students have the option to request to collect their certificate in August through the Graduation Booking System. Those completing their course at other times of the year will receive their certificate within 4-6 weeks.

## **International Students**

International students may require a letter of invite to apply for a visa to return to the UK for their ceremony. For assistance, contact the graduation helpline.
